Harvest Festival!

8th October 2017

Welcome to worship at Bromley Temple, a congregation of Christian believers whose discipleship, worship and fellowship lead to a ministry of witness and service to the community that is both local and global. If this is your first visit to the corps please introduce yourself to the welcome team at the door. Today we celebrate our Harvest Festival, and we welcome our leaders for the day, Majors Brian and Liv Slinn who are now divisional leaders for the East Midlands Division. Brian and Liv are well known to us, and we look forward to their leadership and ministry amongst us. Harvest is always an opportunity to remind ourselves of God's goodness and provision, and allows us to share something of what we have with others, in both our altar service and the gifts that we bring to the harvest display. May God bless us as we offer him our praise and thanksgiving today, both this morning and this evening at 6pm. The band and songsters will be supporting this evening.

This morning we will also acknowledge the service of our outgoing Bandmaster, Geoff Nunn, as he receives his retirement certificate after almost 18 years leading the band. We say a big thank you to Geoff for his faithful and dedicated service over this time.
