## Sunday 16<sup>th</sup> February

Welcome to worship. Today we conclude our series this morning looking into the life of Peter. Tonight we meet in our house groups considering the 'World of Jesus' through the lens of the New Testament.

In Acts 2 we see how at Pentecost the Holy Spirit filled and inspired Peter sharing a life transforming message. We see Peter here as the man chosen by God for his qualities, influenced by the Holy Spirit, beginning to build the Church on the foundation of Jesus Christ. As we bend the knee before Jesus and allow his will to be transplanted into our lives, He will do extraordinary things through us, transforming our personalities, giving us a spirit of boldness of strength and love and wisdom.

*For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands. For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline.*

*(2 Timothy 1: 6-7)*

God will build His church through us as we take hold of the Holy Spirit's power promised to us who believe. Let's be fearless, courageous and willing to stand firm in Christ, being his witnesses to those we meet. May today's message be one of a new dawning for each of us as He speaks and we listen to His voice.

*Iain and Alison*

“The Spirit of God ... helps us in our present limitations. For example, we do not know how to pray worthily as sons of God, but his Spirit within us is actually praying for us in those agonising longings which never find words.”

Romans 8:26 (JB Phillips)
