

A message from Cadet Caroline Brophy-Parkin:

As part of my summer assignment I have to undertake a mission project in the corps. I would like to use this opportunity to engage with the local residential community and find out what they think are the needs of the neighbourhood.

However, I can't do this on my own so if anyone would like to be part of this project please let me know. This is an all age project so young people please get involved.

Thank You
Caroline

Student Accommodation Request

Maria is the daughter of officers serving in Denmark. As part of her degree she has a 3 month placement at IHQ from mid September. She needs to find accommodation during that time and is happy to pay. If you would like to help please see Gill Johnson for contact details.

New Home needed for Electric Organ

A lady has contacted the Corps asking if we know of anyone who would like a Yamaha Electric Organ. It would need to be collected from her home. She does not want payment, but her husband has recently passed away having suffered from Alzheimer's so a voluntary donation to the Alzheimer's Society would be much appreciated. Please see Gill Johnson for further details.

26th August 2012

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

We hope you are enjoying this Bank Holiday Weekend. We are glad to welcome back our Commanding Officers, following their furlough.

This morning our worship will be led by Major Brian Slinn. The title is 'Mend the Fire' and we will be looking at Leviticus 6:8-13.

This evening Major Liv Raegevik-Slinn will lead the meeting under the title '7 Prayers'. We will be thinking of the different types of prayers the Lord has invited us to express. There will also be some testimonies and a song by Anthony Harris.

If you are interested in membership of this church please speak to Mike Traher or Martin O'Leary. Salvationists transferring in to the Corps should advise Corps Secretary Jill Richardson.

Corps Family

Please continue to remember **Hilda & Franklin Gray** in your prayers. This week Hilda was told that she now has cancer in her lungs and liver. She has been given more medication to help her breathing and returns to the hospital for further assessment in six weeks.

Some of you will remember **Luke Slater** who used to be a Junior Soldier at this Corps. We are very sorry to inform you that last week he was involved in a serious cycling accident. He is in the Neurosurgical ward of St George's Hospital in Tooting and will probably be there for several weeks. Please remember Luke and his family in your prayers during these anxious days.
