## Major Liv's Housegroup

Are you a woman?

Are you between the ages of 21 & 60?

Are you sometimes free on a Monday evening?

If you have answered 'yes' to these three questions, you are invited to the monthly Bible Study that takes place at the Quarters on a Monday evening at 8pm! We usually meet at 7:45pm and enjoy a drink together and relax before looking at a chapter in St John's Gospel. In sharing thoughts and experiences we find that we learn from each other. Why not come along tomorrow evening and share in this fellowship? If you are busy tomorrow put the next date in your diary now - 26<sup>th</sup> November. We look forward to seeing you there!

28th October 2012

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

Our worship this morning will be led by Major Brian Slinn. This will be the first of three meetings with the overall title 'The Man behind the Mask'. Today we will be looking at Luke 18:9-14 and will particularly think about the Pharisee. This sermon is recorded and available on the Corps Website.

Our prayer themed meeting tonight will consider Spiritual Warfare under the headings 'I'll Fight - WHO?', 'I'll Fight - WHERE?' and 'I'll Fight - HOW? Please bring your Bible.

This theme will be developed further in a series of discussion groups in November (see back page for details).

**Majors Brian & Liv** are on furlough from Monday to Friday this week but Major Liv's Bible Study will still take place at the Quarters on Monday evening (see back page for further details).

If you are interested in membership of this church please speak to Mike Traher or Martin O'Leary. Salvationists transferring in to the Corps should advise Corps Secretary Jill Richardson.

### Hall Heating!

Now the cooler weather is with us, the Hall Heating System has been set to winter mode. On milder days the Hall may become too hot. Please do not open windows but ask for the heating to be turned off. Most of the time Gill Johnson will be available to do this. If you are responsible for an event which takes place when Gill is not at the Hall, please see her to confirm which switch needs to be turned off. This switch is located in the office – please **do not** touch any heating controls in the basement.

If you are sitting next to a radiator and it becomes unbearably hot, most radiators have a thermostatic control that can be lowered. If you adjust this control it is **essential** that you return it to 'max' before leaving the Hall. Thank You!
