Presenting The Bridge Project 2013

We are planning to support the ministry of Chris and Neil Webb in Papua New Guinea.

The first Project, which Chris has requested, is to provide clean water storage tanks for the work in Kainantu. Detailed information is now available in the provided leaflet, on the displayed material in the foyer and on the Corps website.

This comes as a challenge and a gives to us the privilege of linking with colleagues in need. Thank you again for your on-going support

Christopher's Challenge

After the meeting this morning, refreshments will be served from the platform. Christopher Swinfen will be providing cakes for a donation as he is raising money for a project to support building a nursery school in Kenya. This project is run by an educational charity, the Elimu Foundation. In an RE lesson the students learnt about the Foundation and also about the Parable of the Talents. Each student was then given £1 and has three weeks to raise as much money as they can. We know you will support Christopher with his challenge!

Funeral – Friday 22nd March

The Committal of Jane Endersbee (known as Joan) will take place at 1pm at Hither Green Crematorium. This will be followed by a Service of Celebration at 2pm at The Salvation Army Hall, Bromley. Both will be led by Major Brian Slinn.
