Corps Website: www.bromleytemple.org Feature: **Prayer with Drums**

In the testimony section of the corps website, Laurence Pallant recounts some of his experiences at last year's International College for Soldiers. The page can also be accessed through Facebook. Link: [Prayer with Drums](#)

Our worship this morning will be led by Major Brian Slinn as we consider the man who dug a hole and buried his master's money rather than invest it. [Matthew 25:18] This evening our worship is led by L/Colonels Ian and Chris Barr (THQ)

If you are interested in membership of this church please speak to Mike Traher or Martin O'Leary. Salvationists transferring in to the Corps should advise Corps Secretary Jill Richardson.

Update on the Project for Papua New Guinea.

The project for Papua New Guinea is to provide water storage tanks for the community in Kainantu. Each tank costs approximately £1,500. With the funding from the last two of the One to Fifty Box Ingathering's, plus individual donations and the proceeds from the Quiz Night we are now able to pay for the first two Tuffa Tanks. So a huge thank you to everyone who has made this possible. Hopefully we will be able to provide additional storage tanks in the near future.

Risk Assessments

Your attention is drawn to the Risk Assessment document available outside the main office. Your help is appreciated in seeing that circulation areas are kept clear and any hazards reported. Children should be supervised when in the gallery or in the kitchen area.

This supports the recent distribution of the Fire Emergency evacuation procedure.
