Update on the Project for Papua New Guinea.

The project for Papua New Guinea is to provide water storage tanks for the community in Kainantu. Each tank costs approximately £1,500. With the funding from the last two of the One to Fifty Box Ingathering's, plus individual donations and the proceeds from the Quiz Night we are now able to pay for the first two Tuffa Tanks. So a huge thank you to everyone who has made this possible. Hopefully we will be able to provide additional storage tanks in the near future.
