Children & Youth Strategy Meeting

7:30pm Wednesday 22nd January in the Community Hall

Anita and Maggie would like to call a meeting of those already involved in leading and helping in ministry with our young people. Anyone who knows that God is speaking to them about getting involved will be very welcome too! We want to seek God's direction and receive new vision. We definitely need more people willing to join teams and share the joy of discipling our young people in the Primary, Juniors and Youth. Our outreach to young people in the local community is vital too. If anyone has a point for discussion or ideas to share, please email Maggie and Anita.

The Bridge Project and One to Fifty Box November Ingathering & Totals.

The total raised from the November One to Fifty Box Ingathering amounted to £972.16. In addition we received £550 in donations. This giving makes it possible to provide an additional Water Storage Tank in Papua New Guinea.

Alongside this project we have also raised money for equipment needed for a new classroom to be built in PNG. This extra funding came from a donation, sale of books and internet sales, making a further total of £1000.00. A full report is being prepared.

What can we say other than a huge thank you to everyone who has contributed.
