31st August 2014

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

As the summer holidays draw to a close for most people in the corps, we are today thinking about going back to school and going back to work. As the seasons change, so we need to face up to the different challenges that are presented to us and seek God's blessing upon all that is encompassed in our daily living. General Frederick Couetts, in one of his sermons, once pointed to a stained glass window in Southwark Cathedral that has images of people at work and study, highlighting the fact that God wishes to accompany us in all that we do. Let's pray especially for our youngsters and teachers today as they prepare themselves for a new school year.

There is no planned Youth Fellowship this evening. The prepared rota recommences next week.
