28th September 2014

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

Today we say a special welcome the South London Fellowship Band as they lead us in praise and worship. The band was formed by Major George Whittingham 20 years ago for the purpose of music making and fellowship, and over that time have played in a wide variety of settings and events.

As the band lead us may we all experience warm fellowship with each other, and feel the presence and power of God touching each of our lives just as we need it today.

Please note that this evening's meeting will be at the earlier time of **5pm** and following the meeting there will be Youth Fellowship at the home of John & Brenda Murray.
