**Happy New Year!**

**4<sup>th</sup> January 2015**

Over the past few weeks of Advent, building up to the celebration of our Lord's birth on Christmas Day, we have spent time worshipping together and also getting out into the community with both practical and musical support. It has, once again, been a rich period for the corps as we have traced prophecy about the Messiah, read of the birth in Bethlehem, and reflected on the impact of Jesus on people's lives. As we move into this New Year, we take with us all those things that we have shared together and use them to motivate and inspire us in our Christian living and service. Henri Nouwen, one of the most influential spiritual writers of modern times, commenting on the Beatitudes wrote: 'These words offer us a self-portrait of Jesus..... the whole message of the gospel is this: "Become like Jesus."

Become like Jesus! Jesus himself calls us to engage in the Christian lifestyle, and to live out his mission - not just in 2015, but throughout our lives

Bromley Temple Corps 2015 - Becoming more like Jesus; Living the Mission of Jesus!

"Another year is dawning,  
Dear God, in all I do, in working or in resting,

I'll live this year in you.  
Another year of progress,  
Another year for praise, another year of knowing  
Your presence in all my days.  
Another year of blessing,  
Another year to prove in every sphere of living  
The wonders of your love."  
*Based on Frances Ridley Havergal, 1836-1879*
