**11<sup>th</sup> January 2015**

Once again we meet together for worship, praise and reflection. What a privilege and blessing that is for each one of us. As we commence our journey together into the New Year, our prayer is that God will bless and strengthen our fellowship and faith. We also pray that, as we journey together, others will join us on the way and we will witness growth in numbers.

We continue thinking about 'having enough time', and follow on from last week where we thought about 'Time for God' and 'Time to be Authentic'. This morning we'll be looking at the story of the rich young man, under the heading 'Time to Choose', and this evening we'll be considering our relationships and having 'Time for People'.

General Gowans, with his phrase 'they need you, they need me, they need Christ', reminds us that our own relationship with Christ will be used by him to draw others into God's Kingdom. And so in these early days of 2015, let us take every opportunity to strengthen our relationships, both with God and with one another.

Graham

**The Swongsters** will meet in the Hall after our worship this evening.
