

Corps Directory 2015

On the display boards in the foyer you will see a copy of our current Corps Directory. If you want to change or add to your details, please make alterations clearly by 1st March. When you have checked your entry please tick your name so I know the details are correct. I will then transfer the changes onto the Computer and hard copies will be available to order soon after.

If you are new to the Corps and your name does not appear, please complete a Corps Directory Details Form (available in the foyer) and return to me as soon as possible. Many thanks! *Gill Johnson*

22nd February 2015

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

Today we will be exploring Whole Life Discipleship and introducing a 6 part course for small groups, 'Life on the Frontline', produced by The London Institute for Contemporary Christianity (LICC).

There is a danger that the Christian Church (of which The Salvation Army is a part) can emphasize church activities/service and ignore the fact that each member spends most of their week 'on the frontline', working and living and interacting with many different people.

We will explore some core questions about how God might use us to make a difference in today's world. Where we live and work matters deeply to God and these places offer extraordinary potential to grow in faith and join with God in his mission in the world.

Corps Family

We will continue to remember the whole family in prayer – especially Charlie’s Dad (Mark), sister (Alex) and Mum (Gill). Pauline asked that the following note be included in this Newsletter: ‘Thank you to all my Corps Family for your thoughts & prayers at my sad & difficult time’
