200 mile Sponsored Cycle Ride

Mark Norwood, many of you know, is an avid cycling commuter; however he has been persuaded by his much younger and fitter brother-in-laws to take part in a 200 mile cycle ride to Arnhem in Holland with the Metropolitan Police in mid-September 2015. Apart from the personal challenge, this is also an opportunity to raise money for the very important UK Charity Marie Curie. Marie Curie provide fantastic palliative care to terminally ill patients and hospice care. Please support Mark and Marie Curie, by sponsoring through:

Can you help?

As we move into September we are in urgent need of additional volunteer help in The Light Café. We are always looking for people who would be willing to cover sickness and holidays as they arise, but at present our particular need is for two people who would be willing to commit to helping regularly on Wednesdays. If you would like to get involved with this outreach into the community, please see Gill Johnson for further details. Thank you.
