## Fit for Mission.

Fit for Mission has been in process for some time now, and this week has seen some significant announcements. The latest Fit for Mission newsletter can be seen on the noticeboard, and can also be accessed online. The proposals are suggesting that our current division, London South East, will cease to be and we as a corps will become part of a newly created South London Division. The current number of 18 divisions will be increased to 22. There are many other significant proposals that will affect THQ, DHQ and corps and centres, and these may affect the livelihoods of a significant number of staff, including some of our own folks here at Bromley. Your ongoing prayers and support would be beneficial to everyone concerned.

**6<sup>th</sup> September 2015**

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

As we move into a new season of work, worship and service, we commence with a short series looking at Kingdom Living. The subject matter will be giving, prayer, relationships and self-awareness. As the Annual Appeal is upon us, it is appropriate to think about giving which includes, of course, the matter of our financial support for the work of the Kingdom. This morning - our texts will be Luke 21: 1-4, and 2 Corinthians 9: 6-15. As well as our money, we'll also be thinking about the dedication of our spiritual gifts (NCD) and our time. This evening's meeting, 'Kingdom Living: Powerless or Empowered', will focus on the subject of prayer, using James 5: 7-16. The band and songsters will be supporting and, as ever, will add their own dynamic to our worship and praise.

**A prayer:** Lord Jesus, give us glad and generous hearts so that, in thanks for all you've given us, we may give all that we have and are to the work of your kingdom. Amen.

**The Big Collection Team Leaders Meeting** will **not** take place this afternoon. Team Leaders - please collect your supplies from Gill Johnson in the foyer after the meeting. If you are not already linked to a team but you would like to envelope or collect - please see Mike Reid. You will find him serving coffee in The Light!

## 200 mile Sponsored Cycle Ride

Mark Norwood, many of you know, is an avid cycling commuter; however he has been persuaded by his much younger and fitter brother-in-laws to take part in a 200 mile cycle ride to Arnhem in Holland with the Metropolitan Police in mid-September 2015. Apart from the personal challenge, this is also an opportunity to raise money for the very important UK Charity Marie Curie. Marie Curie provide fantastic palliative care to terminally ill patients and hospice care. Please support Mark and Marie Curie, by sponsoring through:
