7th February 2016

Today we are pleased to have Cadets Sam & Jenni Tomlin from the William Booth College leading our worship again. This morning's meeting is entitled 'What's so amazing about Lent?' and we will be looking at Matthew 4:1-11. This evening the title is 'Preparing for Lent - a look at spiritual disciplines' and we will consider Philippians 3:12-21. We look forward to the Cadets sharing with us and pray God's blessing upon them as they lead us in worship.

There will be no Youth Fellowship this evening.

Our Corps Officers, Lt Colonels Graham & Kirsten Owen, will be returning from furlough on Thursday this week.

A weekly prayer on the website

Starting at the beginning of Lent, each week the corps website will carry a 100-word prayer related to a current concern, issue, meeting theme etc. We are calling for volunteers to contribute in much the same way as we do flowers each week.

Further details are available on the website and on a list in the foyer to which to add your name. Alternatively please contact Paul du Plessis. Given the current reach of the website & social media, this provides yet another opportunity to extend our ministry into the wider community.

Exercise Unified Response

The Salvation Army UKT is involved in an EU funded major emergency exercise, involving many European countries. This is the largest exercise ever undertaken by the UK. I am looking for some uniformed Salvationists or Officer volunteers to assist in the various centres that will be set up to help victims. The Exercise runs from 29th Feb - 3rd Mar 2016, I need help on either the 3rd or 4th March in a Humanitarian Assistance Centre providing general assistance and pastoral support to those there. For further information please email me on [address in paper copy]. Thank You. Maureen Hepburn
