**20th March 2016**

Welcome to The Salvation Army, Bromley Temple. If this is your first visit please make yourself known to the Welcome Team.

Today is Palm Sunday, and we are pleased to have our Cadets, Sam and Jenni Tomlin, with us once again to lead our meetings.

Palm Sunday marks the beginning of an epic and momentous week for Jesus. We see him arriving in Jerusalem for Passover Week via the Mount of Olives, and being welcomed like a king. Indeed, about a third of each Gospel is set in the final eight days, between Jesus entering Jerusalem on Palm Sunday and rising from the grave on Easter Day. The events of that week are the focal point of what God has done for us, and for all humanity. Because he gave Jesus to die for us and to rise again, we can find peace with God. May this coming Easter Week be a time of great blessing for us each one.

## **Reflections Dementia Café**

I would like to say a sincere thank you to all those who have played a part in the setting up and running of the Dementia Café. We have been meeting every Friday morning for over nine months but regrettably numbers have remained small.

An interesting development has been a meeting with Alzheimer’s UK about the possibility of running a joint Café in our main hall and we are currently waiting for a response to the offer we have made.

It has therefore been decided that the appropriate action to take at present is to suspend our own Dementia Café - and Easter provides a natural pause.

Please be assured that any money raised for this ministry will be held in the Community Care Account and used for the benefit of those living with dementia – either through the joint venture with Alzheimer’s UK or directly where there is a need. (Dawn Derham)
