**29<sup>th</sup> May 2016**

Welcome to worship today here at Bromley Temple Corps. We pray that God will bless us as we seek to praise and honour him with heart, soul, mind and strength.

This morning we begin a four week teaching series under the heading 'Take my Life', where we will be looking at four parables found in Luke's gospel. Today's theme of 'Me and My Abilities' looks at Luke 19:11-26, the parable of the talents. This evening we will continue with our *Prayer School* series, which on this occasion will be focusing on prayer rhythms, those times that we need to set aside for moments of communing with God.

Have a good day at the Army!
