## 14<sup>th</sup> August 2016

### I WILL REMEMBER! (After the flood)

**F**ather God we acknowledge you as creator, preserver and governor of life - from the beginning of time. We worship you.

Your word provides so many examples of people you have used because of their goodness, their faithfulness, and their righteous lives. Before the Genesis flood when life was corrupt, evil and violent you singled out Noah; chosen to create the vessel that saved those who entered it.

Today we live in a beautiful world so full of potential, but marred again by so much that is wrong, evil, corrupt and violent. Many deny your existence. We need a new beginning. Forgive us if we have become indifferent. Show us your rainbow of promise.

Jesus, our forever **Ark** of safety and salvation; the cross our forever **Rainbow** - symbol of that new beginning, of forgiveness for the past and all we need for the future. Through that precious blood, shed on the cross, we pray that you will help us to enter fully into your life. Your promises are sure. Thank you Father. Amen

## **The Bridge Projects for Georgia and Dublin – News**

We are now happy to announce that the events and donations for the two Bridge projects have raised to date a total of £5,544.04. We will be releasing this funding to Georgia and Dublin for additional support and developments.

### **Gillian Jackson writes from Georgia:**

*"It is so impressive what people have been able to do.....The staff mean to go to set up camp this Sunday....we are hoping to have 40 children between 13-16yrs Mon-Wed and 42 young people 17-19 yrs Wed-Fri. The next week a Corps will use this site for Sunday School Camp. A good test of the new plumbing! With the additional money we will now start planning to put a kitchen in for those using the camp. Every blessing - Gillian"*

**Recent Message from Ashley in Dublin***"To everyone at Bromley Temple Corps. We are so grateful for the kind donation of £1,000 from the Bridge Project. We used a proportion of this money to purchase two comfortable arm chairs for our prayer room...we have also started purchasing resources for our new Kids Alive Club starting in September.....then we are planning to use the rest of the money to create a display wall showing the history of the Salvation Army and the work happening in Dublin. Love and blessings to you all – Ashley & Teya*

Thank you to everyone for this excellent support. In the New Year we will revisit our commitment to these Bridge Projects.

### **Thank You for One to Fifty Box Donations**

The recent ingathering of the One to Fifty Boxes has raised £1,029.98. This amount has been included in the total we are now releasing for the Georgia and Dublin Projects. Thank you to everyone who has continued to contribute in this very practical way. *The next ingathering will be in January - replacement boxes are available in the foyer. With thanks.*
