11th September 2016

Welcome to Bromley Temple. If this is your first visit to this Salvation Army fellowship, we extend warm Christian greetings to you.

Today we are exploring two facets of the Christian life. This morning we are thinking about the word ENTHUSIASM, using Paul's letters to Timothy as our Bible base. Enthusiasm is sometimes something that we might be a little wary of. But enthusiasm is something that this corps (and every church fellowship) needs! The root of the Greek word *entheos* from which we get our English word enthusiasm means: 'God within'. We should all, therefore, be enthusiasts!

This evening we will be thinking about belonging to GOD'S FAMILY, using verses from Ephesians 2 and 3 to help us. The band will also be supporting. So, we pray for a good day here at the Army.

Our Mission is
