Harvest Sunday

9th October 2016

Welcome to worship at Bromley Temple. If this is your first visit to the corps please introduce yourself to the welcome team at the door.

Today we celebrate our Harvest Festival, and welcome our leaders for the day, Lieut-Colonels Suzanne and Melvin Fincham. Suzanne is our Divisional Commander, and Melvin is Communication Secretary at THQ. We look forward to their leadership and ministry amongst us. Today is an opportunity to remind ourselves of God's goodness and provision. It also allows us to share something of what we have with others, in both our altar service and the gifts that we bring to the harvest display. May God bless us as we offer him our praise and thanksgiving.

Corps Family

Please remember the following people in your prayers:

Tony Sale is still in the PRUH

Major Betty Ackroyd

Betty recently underwent a planned procedure on her left foot at the St Thomas's Hospital, unfortunately all did not go to plan and as a result, almost a week after the procedure, she was admitted to the hospital last Saturday where it was necessary for her to undergo surgery to remove a toe. We are pleased to report that the foot is now responding well to treatment.

Congratulations!

We offer our congratulations to Sheila Maguire who celebrated her 80th Birthday on Wednesday 5th October. We hope you had a very happy day, Sheila!

A Message from Brian Mitchell

'I would like to thank everyone who took part in Sheila's Funeral Service last Friday. Also, a sincere thank you to all those who phoned, sent cards (far too many for me to reply to) or visited Sheila while she was in hospital. These things have meant so much to me and the family' (*Brian*)

A Request from Divisional Headquarters

You may or may not be aware that within the London area The Salvation Army operates three canteen vehicles in support of London Fire Brigade. These vehicles are also on call for British Transport Police & get requested to support other agencies from time to time.

We have groups of volunteers for each of the three vehicles but we are always in need of developing this list of names so that the work does not fall on just a few individuals. If you would like to get involved, there would be the option of helping on a regular basis or you could offer your support occasionally.

If you would like to volunteer or would like further details please speak to Major Gill who will forward your details to DHQ.
