**21<sup>st</sup> May 2017**

Welcome to Bromley Temple, a fellowship of believers and seekers wanting to know Jesus better, and to make Jesus better known.

Today's meetings are being led by our Corps Officers, Kirsten and Graham, and this morning we will once again be picking up our Commitment Sunday theme found in Colossians 1:17 – 'He (Jesus) is before all things, and in him all things are held together.' The focus this morning will be on community engagement, using verses from Matthew 25. This chapter contains three parables which challenge us to think about the needs of our communities, our own response to those needs and our accountability to each other and to God's call upon our lives.

This evening's cafe church gives us the opportunity for worship, praise and teaching in an informal setting. We will be picking up where we concluded our last cafe church gathering, by looking at part 2 of Rev. Bill Hybels' challenging teaching - JUST TAKE THE WALK! Come along for an evening of table fellowship, (although we can't promise that the cakes will be as good as last time!).

Have a great day at the Army!
