5th November 2017

Welcome to Bromley Temple Corps. If this is your first visit to the corps please make yourself known to a member of the welcome team, or CSM Lynn Nunn. As our website says: 'It's not the shape of the building that makes us a temple, any more than what happens inside. We are a community of believers, committed to Jesus Christ, accepting that God, the Holy Spirit dwells with us and within us. We are a congregation who gather in the name of Jesus, and believe that he is present among us.' May we be very blessed by Jesus as we gather and worship together in his name today.

This morning we take a closing look at our Commitment Sunday theme of INTEGRATION, using 1 Corinthians 14 under the heading 'All you need is rules?' This evening, we'll be thinking about God's closeness and presence in our lives, using Acts 17:22-34. Using the theme: Closer than you think, there will be an opportunity to share testimony around those occasions when God has drawn especially close to us as individuals.

'He is before all things, and in him all things hold together.'

Colossians 1:17 NIV
