**25<sup>th</sup> March 2018**

Welcome to The Salvation Army, Bromley Temple, a fellowship of Salvationists and friends all seeking to know Jesus better and to make Jesus better known.

On this Palm Sunday, we begin our journey into Holy Week 2018. This morning we will be looking at Mark 11:1-11 and retelling the story of Jesus entering into Jerusalem as King. Pope John Paul II once said: "How marvellous is this King who renounces all signs of power, the instruments of dominion, force and arrogance, and wishes to reign only with the power of truth and love, with the power of interior conviction and sheer abandonment." As we worship today, may we offer ourselves wholly and fully to our King Jesus.

This evening Kirsten will lead us in a time of meditation and reflection focusing on the various elements found in the Palm Sunday story - Donkey, Stones, Palm Branches, Tears and King. Our prayer is that today's gatherings will offer moments of reflection, challenge and worship, and will be a fitting commencement to our Easter Week.

*"Christianity is in its very essence a resurrection religion.*

*The concept of resurrection lies at its heart.*

*If you remove it, Christianity is destroyed." (John Stott)*
