9th September 2018

We welcome you to Bromley Corps today. May we anticipate and expect meeting with God today through our worship.

This morning Alison will be leading and we'll be looking at the story of Hosea. A simple story - but a cracking one! Hosea was told by God to marry a woman who would be unfaithful to him. Then God compared this unfaithful wife to the people of Israel who had turned away from Him. In Hosea we see how much God loved His people. How often are we guilty though of taking a simple story and complicating it? Hopefully, through our time of worship together we will all feel 'touched' by the uncomplicated truth of God's love for us.

1 John 3:1 *How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!*

This evening Iain will be leading and in the form of cafe church, we are going to continue to look at God's love transforming us and how sharing with others the hope we have in our heart allows others to experience that love of God themselves. We will glimpse through testimony the power of community at work which resulted in one man coming to experience the love of God himself. We will tease out how we can be a blessing to someone who doesn't know Christ through needs oriented evangelism and look at how we might do this even more effectively as a corps.

We hope and pray that as you engage with God today, He will draw close to you.

Will Hudson appointed to ISB

Staff Bandmaster Stephen Cobb welcomed Will Hudson to the fellowship of the International Staff Band last Wednesday after he successfully auditioned on Bb bass. He joins Tom Nielson (Solo Cornet) of Croydon as the newest additions to the band. Congratulations to Will, who 32 years after, follows in the footsteps of his dad, on Bb bass section of the ISB. With Major George Whittingham and Commissioner Frank Fullarton, we think Bromley corps now has four Bb bass players who have played in the ISB.

IHQ Email addresses

Please note that IHQ email addresses have changed in that the underscore has been replaced by a dot.

'Crafternoon'

The Knitting Group used to meet in The Light on the second and fourth Mondays of the month. However, not everyone who would like to attend was able to come in the evening - so it has been decided to commence a Craft Afternoon instead ('Crafternoon'!) which will include knitting and needlework. This month they will meet on 10th & 24th from 1:30 – 3pm. Please see Sharron Lanceley for further information.

Installation of new Territorial Commanders

The installation of Territorial Commander Commissioner Anthony Cotterill & Territorial Leader for Leader Development Commissioner Gillian Cotterill will take place on Sunday 30 September at Regent Hall at 5pm conducted by General Brian Peddle.

As Anthony and Gill were our divisional leaders in London South East, the corps leadership have decided to cancel the evening meeting at Bromley Temple on this Sunday (30 September) to allow us to support our new territorial leaders. We hope those who normally attend the evening meeting will take this opportunity to attend Regent Hall at 5pm.

Monthly Prayer Slot

'Jesus told us to pray urgently and often, so that our prayers should not be long and tedious but short, earnest and frequent.'

St. Ambrose of Milan
