Visit of the International Staff Band

We welcome Major Noel Wright, executive officer of the International Staff Band, as he and the band lead our two meetings today. This morning, where we will consider John 15 and the invitation for us to look at abiding in Christ; and at the earlier time of 4pm for a festival of praise and worship led by Dr Stephen Cobb and the band.

Abiding in Christ is the key to fruitful living. As we reflect on John 15 ourselves, may we consider the greater impact of our fruitfulness for God by accepting Christ, abiding in Him as we make ourselves totally available to Him not just today but every day as we partner Him in His mission.

There is a new exhibition at IHQ's Gallery 101 entitled 'GOD HAS NO FAVOURITES'. It is open from 8am to 4pm Monday to Friday until 20th March 2019. Photographer Lauren Forster explores death and the process of dying through photos of her own family, having recently experienced the death of her mother, a Salvation Army officer who served with her husband for many years in Africa. If you are interested in visiting this exhibition, please help yourself to one of the postcard invitations in the foyer.

Real Easter Egg

This Easter we would invite you to sponsor the purchase of an Easter Egg for £4 from the Real Easter Egg Co. These eggs come with a 24 page colour booklet explaining the real reason for Easter. It would be our intention to supply an Easter Egg to all children associated with the corps - Sunday School, Connect and our two toddler clubs.

If you would like to sponsor a child with this gift, please pass your donation of £4 to Major Gill Johnson.

Alpha

A reminder that Alpha is on-going every Monday night at 7pm in The Light. A meal is followed by a talk and some discussion. Alpha is open for everybody regardless of whether they don't have any faith or have been attending Church for many years. It's been good to see 5 new people come along and enjoy the course. Please continue to pray for Andy Yates and his team as they lead this through each week.

Advance Notice

We have received notification that the town end of Ethelbert Road is going to be blocked off for a period of 6 – 8 weeks while improvements are made to the Elmfield Road/High Street junction.

There will still be full pedestrian access, but vehicles will need to access the Hall by travelling down Ravensbourne Road, passing the bottom of Ringer's Road and then travelling up Ethelbert Road.

When leaving the Hall, you will be able to travel down Ethelbert Road and then up Ringer's Road and then turn right onto the High Street.

As Ethelbert Road will be two way traffic, some parking bays will be suspended. Bus stops on the lower section of the High Street will also be suspended. We are in communication with the Liaison Officer for Conway and it is anticipated that the work will commence the second week in March. We will communicate further details as we receive them.
